

NEEDS ASSESSMENT PLANNING WORKSHEET

Please complete this prior to attending the webinar on needs assessment that will follow TTI1.
This sheet should be used as a guide for a discussion at a CCRT meeting.

- I. What aspects of sexual assault, dating and domestic violence, and stalking do you understand well on your campus? (Incidence and prevalence among students? Do Who are they key sub-communities on your campus that you will need to engage and understand the needs of? Do you understand needs of sub-communities like men, students from different cultural groups? International students? Faculty? Staff? Parents or family members of students?).

- II. Where is information already located on your campus to help you better understand campus needs? (Information gathered in student affairs offices, administrative offices, or institutional research?).

- III. What key questions do you have that are most important for next steps in your work?

- IV. Have each member of the CCRT vote for the one they see as highest priority. Have some discussion about why.

- V. What information do you need to answer this question? Do you have the resources to get the answers? If not may need to prioritize a different question. If yes, develop a plan to get this information.

- VI. Plan to get this information:

Information	Method for getting data	Who will get it?	By when?

VII. What strategic planning goals is this information/data linked to? How will you use this information?
